Dear Maureen:

On behalf of the Bay-Delta Advisory Council and CALFED Bay-Delta Program I wish to thank the San Diego County Water Authority for co-sponsoring the informative and well organized July 8 tour of the North City Reclamation Plant, and for sponsoring the reception which followed at the Town and Country Resort.

I want you to know we appreciated the time and effort Mark Stadler contributed toward the success of this meeting. The tour and reception, which he coordinated, were good opportunities to inform BDAC members, CALFED staff and Policy Group representatives on water reclamation and conservation methods being used in San Diego county. His help with lining up the panelists for the following day ensured a very productive discussion at the meeting. The speakers, Gordon Hess, Ed Kimura (Sierra Club) and Chris Burman (IDEC Pharmaceutical Corp.), helped us achieve one of the meeting goals of obtaining a better understanding of the water management issues facing San Diego County and other portions of southern California.

Thank you for helping us ensure that BDAC members had an enjoyable and memorable experience in San Diego.

Sincerely,

Mike Madigan  
BDAC Chair

cc: Mark Stadler
